

Recessed AV Wall Box

Models Available:

Small Recessed AV Wall Box: WPRWBS

Large Recessed AV Wall Box: WPRWBL

Product Description:

The Recessed AV Wall Boxes are designed to be recessed into the wall cavity behind a wall mounted TV.

The flush design of the Recessed AV Wall Boxes allows for a cutout to fit neatly between wall studs. The unit is inserted and held in place to the gyprock with 4 strong spring clips.

Complete with a double Powerpoint and shroud, Brush wallplate, hardware mounting brackets and plastic rivets. The recessed AV Wall Boxes are ready for use straight out of the carton.

Constructed with Mild Steel and finished in white hamertone powder coat the Recessed AV Wall Boxes blend nicely into any modern décor.

Two sizes available, WPRWBS Small Recessed AV Wall box and WPRWBL Large Recessed AV Wall Box. (Please refer to table below for dimensions).

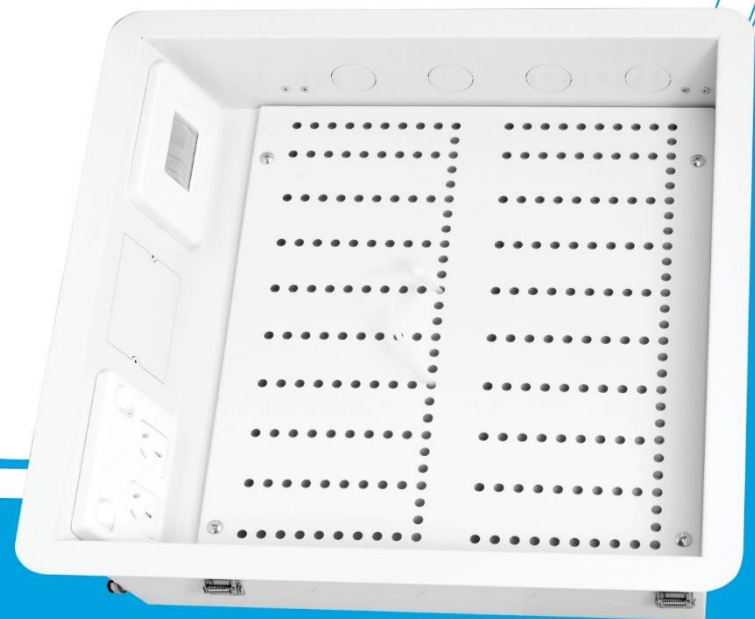

Large enough to house the Samsung One Connect Box
